Re: Child Health Plan Plus program changes

Dear County Director and Medical Assistant Site Director:

The Child Health Plan Plus (CHP+) program would like to inform you about the following changes in our Program:

Colorado Access HMO starts service for CHP+

Effective April 1, 2013 Colorado Access HMO will be available for CHP+ children in El Paso and Teller Counties.

The CHP+ State Managed Care Network (SMCN) will no longer be available as an HMO for children in El Paso and Teller Counties. The CHP+ SMCN will continue to be available and provide benefits for the Pre-HMO, Presumptive

Eligibility and prenatal care program clients only.

A mass update will be done for members currently on the CHP+ State Managed Care Network switching them over to Colorado Access.

If you have any questions or need additional information, please email CHP+. Eligibilty@hcpf.state.co.us.

Sincerely,

Christine Martinez
CHP+ Program Specialist
